## Defensive Spray Restrictions

Defensive spray cannot be shipped:

- Outside the Continental United States, which includes Alaska, Hawaii, and US Territories.
- To Massachusetts, Michigan, New York, New Jersey or Wisconsin.
- To a PO Box or PMB. A physical address is required.
- By air for express delivery. Defensive spray must be shipped by standard ground service.

In California, canisters over 2.5 oz. (70 grams) can only be sold to law enforcement personnel.

Persons under 18 years of age and convicted felons are generally prohibited from possession of defensive sprays.

Some jurisdictions may further restrict the possession of defensive sprays. Compliance is the responsibility of the purchaser.
